

Norton Introduces Storefront Support Bracket for 6000 Low Energy Operator

Norton Door Controls is pleased to introduce a new support accessory for the 6000 series low energy operator.

The 6000SFB Storefront Support Bracket ensures proper reinforcement when installing the operator on aluminum storefront openings and is recommended for glass transom applications.

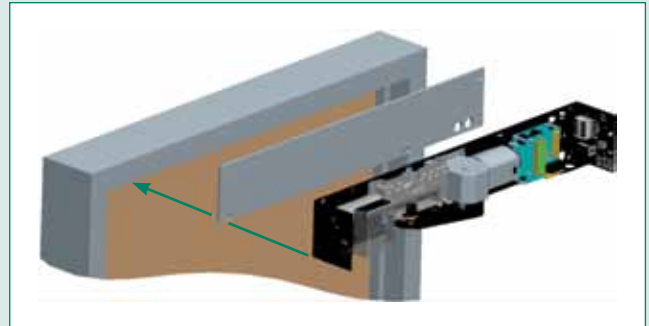

How to Order:

Specify part number 6000SFB

We are currently accepting orders. Lead time is two weeks.

Catalogs and price sheets have been updated and posted online.

For additional information, please contact your local ASSA ABLOY Door Security Solutions sales representative.
